

**Queen's Own Rifles of Canada
Vancouver Island Branch
2013 Entertainment Report**

The Association had 2 very well attended events in 2013, the first being the Birthday Dinner, 125 members were in attendance.

Greg Oatway came in from Hawaii, and it was good to see George Tesla and Gary Whiting once again. No doubt, old friendships were renewed.

Secondly, the October Fest with 94 members in attendance was successful. The food was "excellent" and the music kept "Some" of the members on the dance floor much longer than they should have been. Aching hips and knees let them know about it the next day.

With an average of 50 members attending the monthly luncheons, the members look forward to this successful gathering.
