Hello Rifleman:

Our first year as an association has closed. We managed (just) to stay in the black, but we met all our forecasted events, plus a few additional ones.

As of this writing, I don't have the exact figures of membership because the Treasurer is currently on holiday. However, I do know that a lot of members have already renewed for this year. If you have not as yet renewed, then please do so as soon as you can.

Our next meeting is to be at the Work Point Sergeants Mess at 1300 hours February 1st, 1981. This is an extremely important meeting as we must finalise all details for the Birthday Dance. Last year we had a very good get together. Not as many showed as we would have liked to have, but also a lot of members were away to Cyprus (again).

Hoping to see you at the meeting your committee would like to extend to you and yours belated Seasons Greetings.

Yours truly,

G.P. Devlin,
Secretary.
